## Behçets Syndrome Telephone Advice Line

0151 529 8123  
 8.30am – 4.30pm  
 Monday to Friday

### Aim of the Behçets Syndrome telephone advice line service.

The purpose of this service is to provide advice and support for patients with Behçets Syndrome attending Aintree Hospital.

### The advice line is not an emergency service.

If you require **urgent** medical advice you must contact your family doctor (GP) or attend your local Emergency Department (A&E) or Walk-in Centre.

### When should you call the advice line?

#### You should only call the advice line:

- If you experience a reaction to an injection given at the Behçets Clinic.
- If you have a 'flare up' of your condition that has not improved with your usual self-help treatments.
- If you are experiencing side effects which you feel may be caused by the medication prescribed for your Behçets Syndrome.
- If you have concerns about your symptoms or management that need to be addressed before your next appointment.

### How does the advice line work?

The advice line is an answer phone number

**Tel: 0151 529 8123**

Please leave the following information on the answer phone – for safety reasons your call will not be actioned without:-

1. Your full name.
2. Your hospital number or date of birth.
3. A telephone number where we can contact you.
4. The reason for your call.

A Behçets or Rheumatology nurse will listen to your message and return your call within two working days.

**Please note this advice line is only available from 8.30 am - 4.30 pm Monday to Friday.**

If you are out when the nurse returns your call, one further attempts will be made to contact you. If you still require advice you will need to contact the advice line again.

**If you have a query regarding a prescription please contact:**

- Aintree Hospital Rheumatology - prescription line  
Tel: 0151 529 3082
